ENCLOSURE: Information on starting numbers and FIM/FIM Championship logos

1. Starting numbers

We would like to remind you that riders have the possibility to choose a “career number”. However, the number one (1) will always be reserved for the current FIM World Champion.

Riders must make the request for a “career number” to the FIM Administration (sandra.berthoud@fim.ch) but there is no guarantee whatsoever that they will receive this number. If the requested number is still available, it will be allocated to the rider.

Once a number has been issued to a rider – whether it was upon his request or by a decision of the FIM – it cannot be changed during the same year of competition.

2. FIM and FIM Championship logos (WSC)

Riders/Passengers must display the FIM and the FIM Championship logos on the upper front torso or shoulder area of their jersey or on their chest/back protector if the latter is worn over the jersey (Dimension of the logos: see hereafter page 4).

Riders/Passengers can print the FIM and the FIM Championship logos on their jerseys.

The FIM and FIM Championship logo must also be displayed on the front number plate and the side number plates as per the diagrams below.

In order to obtain:

- The FIM logo in high resolution together with the corporate chart, please contact the FIM Administration, Mr Olivier Prouff: olivier.prouff@fim.ch.
- The FIM Championship logo (WSC) in high resolution together with the corporate chart, please contact APO Multimedia, Mr Rien Willems: rien@fimsidecarmoto.com.
